#### Do I need a piano?

You do not specifically need a piano, an electronic keyboard will do as well. That being said, you will need a musical instrument, whether it's acoustic or electronic.

#### If I do not have a computer, can I still register?

You will need access to a computer, tablet or other electronic device to access the Academy website, where the capsules will be accessible with your username and password.

You need to have acces to the internt Internet. The videos cannot be downloaded for an offline viewing.

The classical method proposes a long session once a week whereas the Gregory method favours the frequency via short and efficient practices. The benefit of this method is the ability to integrate more complex notions.

This is a course dedicated to free students from traditional music scores. Intuitive learning of the piano is used in order to enable students to integrate musical concepts.

#### Can I complete multiple lessons in one day?

It is possible to complete as many lessons per day as you want, as long as the capsules are available online. You can walk through any given lesson as many times as you would like.

You will be joining Gregory for the concert, but you will not be alone. All the other students of your cohort will also be there.

#### I am very shy. The course appeals to me very much but I am not sure about the live concert. Is this a problem?

Not at all! It is your choice whether you decide to participate in the end of the year concert with Gregory Charles. All other students in the cohort will also be there, thus you will not be alone.

#### I cannot make it to the end of the year concert with Gregory, can I take a rain check?

Unfortunately, given the number of students, there will be no exception. Otherwise, we would have to do several concerts each week to accommodate everyone. The date of the concert will be communicated well in advance to allow you to plan accordingly.

No, once you have chosen your preferred language, it will drive in wich language you access the platform.
